

## NeuroCampus & DNC Seminar: Autism@Aarhus – Ongoing projects

Autism@Aarhus' first anniversary meeting

Thursday 25 August 2011

14.30

DNC Auditorium, Building 10G

Aarhus University Hospital, Nørrebrogade 44, 8000 Aarhus C.

Please come to the first anniversary meeting in Autism@Aarhus. You will hear what is happening now in autism research, presented in five short talks. There is time for networking over coffee and cake afterwards.

ALL INTERESTED ARE WELCOME.

We look forward to seeing you!

### PROGRAM:

**Raffaele Rodogno**, coordinator of the Autism@Aarhus network

Welcome

Chair: **Professor Uta Frith**

1. **Freja Bertelsen**  
*The valproate model of autism*
2. **Else-Marie Jegindø**  
*Do you see my pain? Pain expression and empathy for others' pain in people with Asperger syndrome*
3. **Line Gebauer**  
*Recognizing emotions in music and speech*
4. **Lene Hjort**  
*The risk for autism and for autism with co-existing developmental disabilities in low birth weight children compared to normal birth weight children*
